

To presenters at the APL 2019 Poster Sessions

POSTER SESSION GUIDELINES

Please note that the APL Scientific Committee considers that all selected papers have equal merit. Accordingly, as per our acceptance notification letter, all papers presented at APL 2019, either at oral or poster sessions, are eligible to the associated events: The Young Scientist Award.

Poster sessions will be held in room Z210 and Z208 on Thursday. The poster of Session 1 and Session 2 will be held in the morning from 9:00 AM to 12:30 PM. The poster of Session 6 and other sessions will be held in afternoon from 14:00 PM to 18:00 PM. During this time, discussion will be possible with the authors.

We believe that you will have a positive experience by presenting your work in a poster session at APL 2019.

Each author will have at his/her disposal a paper board (A0 format = 84.1 cm wide X 118.9 cm high) for his/her presentation. Authors shall bring the posters printed and display them before the session starts. For the presentation, one table can be used according to the needs of authors.

Please note that **no printing** of posters will be available at the Conference Center.
